

>> Steering Wheel.

Range of elegant steering wheels for motor boats and yachts, made entirely of a light aluminium alloy with our exclusive abrasion resistance coating that also withstands the elements.

Three standard models are available:

- ALFA, with flat arms,
- BRAVO, with parallel arms,
- CHARLY, with converging arms.

The three standard models are fully customisable with the following options:

- different colour on request,
- shipyard logo screen-printed on the hub.

For orders of at least 50 pieces, we can supply exclusive custom-made steering wheels.

- >> MADE OF A LIGHT ALLOY, PAINTED ON REQUEST
- >> AVAILABLE IN THREE DIFFERENT MODELS:
BRAVO, CHARLY AND ALFA
